1) Love me baby, love me and don't stop
'cause when I'm ready you can have the cream of my
crop
Love me baby, love me and don't stop
'Cause now we're groovin' this jam is gonna be a non-
stop

2) When this whole world gets me down
and there's no warmness(?) to be found
I just look around and I say "tune in" (?)
'cause you're the one who's with me during my ups and
downs

3) So don't stop
don't stop now

4) Please don't you belittle me
Come on and touch me where it tickles me
