I really wanna know right now

I know you wasn't around  
When I was leaving myself  
Yet you seat back and relax  
And you took all the wealth

Is it material things you're running after  
Or is it praises that you're giving on to rest?  
I really wanna know right now

I gave a hand onto the wicked  
But I give him it with caution  
Well, I was giving love  
He was seeking for reaction, tell me

Is it material things you're running after  
Or is it praises that you're giving on to rest?  
I really wanna know right now  
Yes, I really wanna know right now  
Oh mister wicked

I know you wasn't around  
When I was leaving myself, oh gosh  
Yet you seat back and relax  
And you took all the wealth

Is it material things you're running after  
Or is it praises you are giving on to rest, please?  
I really wanna know right now  
Really wanna know right now

You put Jah trust in vanity  
And forget about your livity  
But I really wanna know right now

Now we get to understand  
You are just a material man  
And now we get to know right now  
Really wanna know right now

Now we get to understand

That you're just a material man  
Hey, mister wicked
