Please Mr. Cop....Cool down now
Please Mr. Cop....Down to the ground

Cool down your temper...Mr. Cop...Cool down
Hear me when I say, I say
Cool down your temper...Mr. Cop...Cool down now

Put a smile on your face while passing through
Put away the frown and that awful screw
Were just sipping a cup and having some fun
and it's better than in the streets busting gun
Tell 'im me say tell 'im

Cool Down your temper...Mr. Cop...Cool down
We're just licking a cup I said
Cool down your temper...Mr. Cop...Cool down now
Said we are just sipping a cup

Beat dey a market marrow inna bone (??)
What don't concern ya please leave it alone
Because the grass was meant for the cows and ass
and the herb on this land for the use of man
Tell 'im me say tell 'im

Cool down your temper... Mr. Cop...Cool down
We're just licking a cup I said
Cool down your temper...Mr. Cop...Cool down now
Said we are just sipping a cup
