Ah ha, ah ha, ah ha

She was seeking for some vacancy
Said she wanna be my secretary
She never pass her GCE, no
But she said she wanna work for me

She said she don't really have a diploma
But she sure can do the job
She said don't ever ever listen to no rumor, no
'Cause to work is better than to rob

She told me
She fix my desk, she fix my chair
Makes me feel that she would take good care
You're a middle-aged business man, she said
And I sure wanna give a hand

Ah ha, ah ha, ah ha

She told me
She fix my desk, she fix my chair
Makes me feel that she would take good care
You're a middle-aged business man, she said
And I sure wanna give a hand

She said she don't really have a diploma
But she sure can do the job
She said don't ever ever listen to no rumor, no
'Cause to work is better than to rob

She said she wanna be
My personal secretary
And then she smiled
She said I sure like your style

Ah ha, ah ha, ah ha
