She dobbie, dobbie, dobbie, do, yeah
Don't break your promise, no, girl
That you once made to me
Don't ever use me as you tool
'Cause promise is a comfort to a fool
She dobbie, dobbie, dobbie, do
Now don't believe in what they say
They're just trying to take you away
Don't ever give them your heart, no
Never let no one play my part
Never let no one play my part
She dobbie, dobbie, dobbie, do
She dobbie, dobbie, dobbie, do oh, yeah
Baby, don't break your promise, yeah
That you once made to me
Please, don't ever use me as a tool, no
'Cause promise is a comfort to a fool
She dobbie, dobbie, dobbie, do
So don't believe in what they say, yeah
They're just trying to take you away
Don't ever give them your heart

Never let no one play my part

She dobbie, dobbie, dobbie, do

Never let no one play my part

Remember your promise from the start

She dobbie, dobbie, dobbie, do
