Oh yeah, after you made my day  
Hurts to know you're going away  
Seems like my life begin to ruin  
Now that you're departing pretty soon  
But what more can I say? Yeah

Sad to know that you're leaving  
Even though it's kinda grieving  
Sad to know that you're leaving  
But I know that you'll return real soon

You can send me a postcard  
Mail it home to Do St Yard [unverified]  
You know what loneliness brings  
But Jah will guide you out and coming in

What more can I say?  
Sad to know that you're leaving  
Even though it's kinda grieving  
Sad to know that you're leaving  
But Jah will guide you out and coming in, oh yeah

Oh yeah, after you made my day
