

## Bright Eyes "Approximate Sunlight"

Visit "[Approximate Sunlight](#)" on MotoLyrics.com

Used to dream of time machines  
Now it's been said we're post everything  
As a child, imagining  
Neckties and coastlines

I've seen the show, man, what a sight  
Drenched us in approximated sunlight  
The crowd was small and mostly blind  
But kind, you're too kind

Now you are how you were  
When you were real  
Now you are how you were  
When you were real

There you go again on that circular trip  
Lick the solar plexus of some LA shaman  
I'm out of breath, I better sit  
Been living hard, living

(All I do, all I do)  
Is follow you  
(All I do, all I do)  
Just follow  
(All I do, all I do)  
Just follow you  
(All I do)  
Around

I wouldn't waste another thought  
On what is fair and what is not  
The Quinceañera dress she bought  
Was unstitched with bullets

All the guests in the garden screamed  
Women and tires squealing  
Such opulence, such misery  
Unwinding, unwinding

(All I do, all I do)  
Is follow you  
(All I do, all I do)

Just follow  
(All I do, all I do)  
Just follow you  
(All I do, all I do)  
Around

(All I do, all I do)  
Is follow you  
(All I do, all I do)  
Just follow  
(All I do, all I do)  
Just follow you  
(All I do)  
Around

Now you are how you were  
When you were real
