Have yourself a merry little Christmas  
Let your heart be light  
From now on our troubles  
Will be out of sight

Have yourself a merry little Christmas  
Make the Yuletide gay  
From now on our troubles  
Will be miles away

Here we are as in olden days  
Happy golden day of yore  
Faithful friends who are dear to us  
Gather near to us once more

Through the years we all will be together  
If the fates allow  
Hang a shinning star  
Upon the highest bough

And have yourself a merry little Christmas now

From now on our troubles  
Will be miles away

Through the years we all will be together  
If the fates allow  
Hang a shinning star  
Upon the highest bough

And have yourself a merry little Christmas now  
Yes, have yourself a merry little Christmas now
