First tell me which road you will take
I dont want to risk our paths crossing someday
So you walk that way ill walk this way
The future hangs over our heads
And it moves with each current event
Until it falls all around us like a cold steady rain
Just stay in when its looking this way
The moon's laying low in the sky
Forcing everything metal to shine
And the sidewalk holds diamonds like a jewelry store

They argue walk this way no walk this way
And Laura is asleep in my bed
As Im leaving she walks up and says
