"Walk Away"

if you walk away ill walk away
first tell me which road you will take,
i dont want to risk our paths crossing someday
so you walk that way i walk this way

and the future hangs over our heads
and it moves with each current event
until it falls all around like a cold steady rain
just stay in when its lookin this way

and the moons layin low in the sky
forcin everything metal to shine
and the sidewalk holds diamonds like a jewelry store
case
they argue walk this way, no walk this way

and lauras asleep on my bed
as im leaving she wakes up and says
i dreamed you were carried away on the crest of a
wave
baby dont go uh come

and theres kids playin guns in the streets
ones pointin his tree-branch at me
so i put my hands up and say enough is enough
if you walk away, ill walk away
and he shot me dead

i found a liquid cure
for my landlocked blues
they will pass away like a slow parade
its leavin but i dont know how soon

and the worlds got me dizzy again
you'd think after twenty-two years id be used to the spin
and it only feels worse when i stay in one place
so i am always pacin or walkin away

and im drinkin the ink from my pen
and im balancin history book up on my head
and it all boils down to one quotable phrase

if you love something, give it away

a good woman would pick you apart
a box full of suggestions for a possible heart
and you might be offended, you might be afraid
but dont walk away, dont walk away

we made love on the livin room floor
with the noise in the background from a televised war
and in that deafening pleasure i thought i heard
someone say
if we walk away, theyll walk away

though greed is a bottomless
