To save this world  
Transgress yourself  
Ahriman's heart retains might  
Sinister spells  
Sorcery dodge

The shroud is swayed by the wind  
Black monolith city  
White flames in the burial-vault  
Delirium is steady and dire

Mystical concentration  
Severe asceticism  
Knowledge and power as aim  
Subject of sacrifice  
Certain religiosity  
Disincarnation for ritual  
Testimonial chaos  
Scions of mayhem  
Lyre without strings  
Let their sovereign play  
Rule over reasons  
Play over minds  
Filled with compassion and odium  
Mask on the face  
Blood-spelled letters  
Read between the lines

To make a step  
Subdue the fear  
Ahriman's heart, the invocation  
Temple of sin  
Boundless abyss

Divine diamond

Muddle force, imitation  
People - worms, worms are silt  
Spitting snakes, spreading steam  
Pleated dress, wrinkled face  
Senile hand holding warder  
Dampness, cold, sensual myriad

Messiah, you've got to believe into another messiah

Mystical concentration  
Severe asceticism  
Knowledge and power as aim  
Subject of sacrifice  
Certain religiosity  
Disincarnation for ritual  
Testimonial chaos  
Scions of mayhem  
Lyre without strings  
Let their sovereign play  
Rule over reasons  
Play over minds  
Filled with compassion and odium  
Mask on the face  
Blood-spelled letters  
Read between the lines
