I come home humble people couldn't always make
ends meet started working for a livvin the day I turned
Fifteen I learned to
Be a free bird singing with the band I wouldn't change
a thing it's who I am

I like corn liquor guitar pickers hard working hands hay
seeds getting all they need from a warn out piece of
land I love
Blue jeans and a soal ring on a mountain of a man I
know where to get me some back were I come from

I live out in the country with my friends and family a
little rough around the edges the way it's suppose to be
and no
Matter where on earth my crazy life might lead I can't
wait to get back home to tennessee

Back to thatcorn liquor guitar pickers hard working
hands hay seeds getting all they need from a warn out
piece of land I
Love blue jeans and a soal ring on a mountain of a man
I know where to get me some back were I come from

Back where I come from

Yeah I like corn liquor guitar pickers hard working
hands hay seeds getting all they need from a warn out
piece of land I
Love blue jeans and a soal ring on a mountain of a man
I know where to get me some some of that corn liquor
guitar pickers
Hard working hands hay seeds getting all they need
from a warn out piece of land I love blue jeans and a
soal ring on a
Mountain of a man I know where to get me some yeah I
know just where to get me some back where I come
from

Back where I come from
