I don't feel like loving you today  
So don't you even try to change my mind  
The best thing you can do right now  
Is just go away  
Cause I don't feel like loving you today  
I don't want to talk about last night  
I'm angry and I haven't had much sleep and I'm so  
tired and bloodshot there ain't no tellin what I'd say  
Cause I don't feel like loving you today

(Chorus)

But you know I will anyway  
Even though we make it hard sometimes  
I'll wind up forgiving you  
And probably loving you for the rest of my life

But I don't feel like loving you today  
And I've got 16 hours left to go  
I might tell you that I'm leaving even though you know  
I'll stay  
'cause I don't feel like loving you today

(Chorus)

But you know I will anyway  
Even though we make it hard sometimes  
I'll wind up forgiving you  
And probably loving you for the rest of my life

But I don't feel like loving you today  
I just don't feel like loving you today
