Charlie Daniels, Carolina.

The Devil went down to Georgia, nothin' could be finer.  
Midnight Rider, Allman Brothers Band.

I got your country right here.  
Little bit of rockin'.  
I got your country right here.  
Deep fried southern.  
I got your country right... grab a beer, pull up a chair,  
'Cause I got your country right... here.

Gimme some Waylon, little bit of that Ramblin' man.  
A country boy can survive, can I get a little hand for  
Hank.

I got your country right here.  
Little bit of rockin'.  
I got your country right here.  
Deep fried southern.  
I got your country right... grab a beer, pull up a chair,  
'Cause I got your country right... here.

In any Friday night, honky tonk, anywhere they got cold  
beer, and a band, and a dance floor packed with  
bikers, truckers, lookers, soldiers, outlaw lovers...  
Well, I got your country right here.

(Spoken) I got your country right here.

ZZ Top, little ole' band from Texas.  
It's 2 o'clock, I bet you thought I forgot Lynyrd Skynyrd.  
Get off you asses and raise your glasses...

(2x)

I got your country right here.  
Little bit of rockin'.  
I got your country right here.  
Deep fried southern.  
I got your country right... grab a beer, pull up a chair,  
'Cause I got your country right... here.

Gimme that country... I got your country right here.

I GOT YOUR COUNTRY RIGHT HERE!
