I'm for the low man on the totem pole
And I'm for the underdog God bless his soul
And I'm for the guys still pulling third shift
And the single mom raisin' her kids
I'm for the preachers who stay on their knees
And I'm for the sinner who finally believes
And I'm for the farmer with dirt on his hands
And the soldiers who fight for this land

Chorus:

And I'm for the Bible and I'm for the flag
And I'm for the working man, me and ol' Hag
I'm just one of many
Who can't get no respect
Politically uncorrect

(Merle Haggard)

I guess my opinion is all out of style

(Gretchen Wilson)

Aw, but don't get me started cause I can get riled

And I'll make a fight for the forefathers' plan

(Merle Haggard)

And the world already knows where I stand

Repeat Chorus

(Merle Haggard)

Nothing wrong with the Bible, nothing wrong with the
flag

(Gretchen Wilson)

Nothing wrong with the working man me & ol' Hag

We're just some of many who can't get no respect
