Stab the knife between the teeth  
Operate with broken knees  
Unexpected raids  
Spray apart in thousand drops  
Try to run on creaking bones  
Unexpected raids  
Demonstrate the dirty deeds  
Violate all theories  
Unexpected raids

Ripping skin for self-protection now  
Flaming hours  
Chasing demons  
Feeling pangs of pain  
Restless chaos

[Chorus:]  
I'll start  
I am all for  
Walking away in someone's shoes  
Finding the way to me

Interfere with common peace  
Navigate through tendencies  
Unexpected raids  
Hurry up to seize and fetch  
Snatch and win the privilege  
Unexpected raids  
Concentrated into hatred  
Dead asleep and dead awake  
Unexpected raids  
Flaming hours

[Chorus:]  
I'll start  
I am all for  
Walking away in someone's shoes  
Finding the way to me  
I'll stop  
I am all for  
Staying alive in a distant place  
Hiding away from me

[Chorus:]  
I'll stop  
I am all for  
Staying alive in a distant place  
Hiding away from me  
Walking away  
Finding the way  
Staying alive in a distant place  
Hiding away from me
