Weighed down with lies  
Choke up with grease  
Tear out your eyes fiercely  
Fall down and swallow tears

Wakening of lords  
You have denied  
Resuscitates blessing of fair judge

Boil belly of void  
Take up sinful prophets  
Strangling, cable impedes air  
Fearful vengeance  
Damage, scream into fit  
Follow saint prediction  
High day - enemy begs mercy  
Termination

Social outcast becomes esteemed  
Eagerness extended  
Legacy digested in truism  
Perforation, modulation, newly-borne insight

Saturate instigate libertine dissidence  
Total squash scorched with heat  
Suppurate deflagrate

Whisper of runes  
Incriminate  
Sluggishness, inertness,  
Feeble disclaim

Hear out sound of wings  
Bow to clothed in garments  
Sorrow, strays to decry  
Anger, persecution  
Final harvest is ripe  
Triumph, we demand gore  
Pour out bowls of the wrath  
Amen, we demand more

Misdemeanor radiates disguise

Timid paranoia  
Recreancy followed by remorse  
Filthy effort, glossy warrant, renegade's device

Mighty peals - lords of lords sweeping off hailstones  
Castigate overawe imprecate dominate
