(verse 1)

Holy one, in your majesty and grace
There is none, to compare to you
I tried to run, to the corners of the earth
But your love brought me home

(pre-chorus)

I thought I could leave you
But I could never deceive you
Into turning your face away
So I tried to ignore you
other things before you
but oh,oh,oh I just got to say:

(chorus)

I want you, I need you
I finally found the guts to say
I want you, I need you
I finally found the guts to say
I want you, I need you
I finally found the guts to see
I want you, I need you, I need you, I need you

(verse 1)

Holy one, there are no words to describe
your only son and his sacrifice
A perfect love that was fastened to a tree
a punishment, that was meant for me

(pre-chorus)

(chorus) (chorus)

(tag)

I need you - I need you
I need you - I need you
