(verse 1)

I'm just an ordinary girl
trapped in a complicated world
just like a crushed up soda can
recycled, restored, to live again
for somebody else to use me up

(prechorus)

Fill me, Heal Me
Lover of my Soul

(chorus)

I won't be discarded
I won't feel departed
I won't be discarded
again...

(verse 2)

why does it have to be so cruel
to hate me because I am like you
this world can be contrary
viscious & sort of scary
But I'm gonna keep my eyes on you

(prechorus)

(chorus)

(alt chorus)

I won't be, I won't be
I won't be --Ordinary (4x)

(verse 3)

Now I can't even watch the news
see all the people being used
face without a name but,
I just can't help but feel their pain
I pray their hearts will turn to you

(prechorus)

(chorus)

(alt chorus)
