(verse 1)

You say that you want to fly  
But your mind is weak  
and you don't know why  
And you, always wanted more  
than you ever got  
than you had wished for

(pre-chorus)

Well if you could see the truth  
It's all because of you  
Oh, if you could try to open up your mind  
Then you would see the light

(chorus)

But you want to  
Taste it, smell it, Take it, Kill it  
Use it till the life is gone  
You want to Break it, Rape it  
Try to make it into your new pet  
But it couldn't hate you more

(verse 2)

You say that the war is won  
That's been in your head  
and it's almost done

Well we'll see, when you get back home  
When you're on the floor  
and you're all alone

(pre-chorus 2)

Well I've finally seen the truth  
It's all because of you  
Oh, if you could try to open up your mind  
Then you would see the light

(Solo verse & pre-chorus)

(chorus)

(bridge)

Oh, and I know it hurts, Oh, I can feel your pain  
Oh, I just want to love you more, Oh, I just want to love  
you

(chorus)(chorus)
