### "Don't Make Me Take My Earrings Out (The Earrings Song)"

Well I finally found a sitter who'd stay late on Friday  
night,  
So I could do some dancin' underneath them neon  
lights  
Get out of the kitchen do a little catchin' up with my old  
man  
And I couldn't help but notice girl that you keep slinkin'  
by  
Stealin' his attention with the twinkle in your eye  
You're causin' an involuntary clenchin of the fingers on  
my hand  
So honey move along and find a place to park yourself  
while you still can

Dont make me take my earrings out  
Cause I'll show you what a catfight's all about  
I'll throw you down and mop the floor  
A man like mine's worth fightin for  
Dont make me take my earrings out

And I bet I spent an hour at the bathroom vanity  
Tryin to turn a mom into a ballroom beauty queen  
I dont wanna mess it up but trust me honey I aint  
scared to break a nail  
Yeah and I'd be glad to spend a night in jail  
(Aw hell!)

So don't make me take my earrings out  
Cause I'll show you what a catfight's all about  
If you come waltzin' by once more  
I'll drag your butt right out the door  
So don't make me take my earrings out  
(Ah-haw!)

So don't make me take my earrings out  
Cause I'll show you what a catfight's all about  
I'll throw you down and mop the floor  
A man like mine's worth fightin for

Don't make me take my earrings out  
If you come waltzin' by once more  
I'll throw you down and mop the floor  
And drag your butt right out the door  
A man like mine's worth fightin for  
So dont make me take my earrings out!
