If I have another round  
I might leave with you right now  
Sounds good, but what about tomorrow?

Could I face another day?  
Could I wash it all away?  
Would it leave me feeling stained and hollow?  
Tell me, would you make it worth all the sorrow?

It ain't easy  
Being strong  
So hard to walk away  
From what you want

Yeah, it would feel so right  
But it would feel so wrong  
No, it ain't easy being strong

Temptation is a funny thing  
It'll tell you it's okay  
Go ahead, and get swept away  
It's all right

But when I come back down to earth  
I'm gonna know it wasn't worth  
All the guilt and all the hurt for one night  
Yeah, you can wait, I'm gonna pay the price

It ain't easy  
Being strong  
So hard to walk away  
From what you want

Yeah, it would feel so right  
But it would feel so wrong  
No, it ain't easy bein' strong

But it would feel so right  
But it would feel so wrong  
No, it ain't easy, oh, it ain't easy  
No, it ain't easy being strong, uh

It ain't easy  
Being strong
