Take a look, Boy,
What do ya think you see?
Is it the high heels or the real deal,
Turnin' you on to me?
Step back boy you might wanna think this through,
Ya say you figured out what I'm about,
But you ain't got a clue, about
(Chorus)

The Other side of me,
You gotta dig down deep,
To see what lies beneath,
On the other side, other side.
There's a whole nother world,
and I'm a complicated girl.
There's a lot more to see,
On the other side, other side of me.
Listen up, Boy,
Before ya scratch that itch,
Ya know I can be sugar sweet,
Or a down right son of a bitch,
read my lips, Boy,
Understand a thing or two,
If ya wanna ride then step inside,
and allow me to introduce you to,

(Chorus)
--Bridge--

Rap:

Ahhhhhhhhhhhhh;
Stop drop and roll,
Stop coppin my flow,
Stop poppin your mouth off,
Stop jackin my rolls,
I'm like broadway Joe,
Fir coats and shit,
Fingers up struttin down music row,
So rebels yell and black men shout,
This is ya'll what it's all about,
So rebels yell and black men shout,
This is ya'll what it's all about,

From rock and roll to some country soul,
This is ya'lls what it's all about,
From Adidas suits to snake skin boots,
This is ya'lls what it's all about,
That ya'll what it's about.
