Well there's the fever  
That you can't deny  
Gonna' get together with my friends  
To see my redbirds fly  
On the TV  
Or at the ballpark  
Or on the radio in my truck  
Me and Grandpa used to listen to  
Mike Shannon and Jack Buck  
Yeah I can feel it coming  
One thing I know for sure  
Is I've got Redbird Fever and  
The Cardinals are the cure

Yeah I've got Redbird Fever  
And I know we're the best  
It's a fact we're going all the way  
'Cause we're better than the rest  
And I'll wear my Redbird colors  
To every inning that we play  
There ain't nothing better than a  
Good old Cardinal game  
So here's to my St. Louis out there  
Keeping up the fight  
Let me get a big Go Cards  
From ya Redbird fans tonight Go Cards

There's other teams out there  
And yeah they can play  
But a Cardinal fan is proud and loud  
Until our dying day  
We drink cold beer and eat hot dogs  
On the bleachers in the sun  
No I don't need no other team  
'Cause the Cards are number one  
Some people say we're crazy  
But Redbird fans are true  
'Cause in this Cardinal nation  
We're all winners through and through

Yeah I got Redbird Fever  
And I know we're the best

It's a fact we're going all the way  
'Cause we're better than the rest  
And I'll wear my redbird colors  
To every inning that we play  
There ain't nothing better than a  
Good old Cardinal game  
So here's to my St. Louis out there  
Keeping up the fight  
Let me get a big Go Cards  
From ya' Redbird fans tonight Go Cards

Yeah I got Redbird Fever  
And I know we're the best  
It's a fact we're going all the way  
'Cause we're better than the rest  
And I'll wear my Redbird colors  
To every inning that we play  
There ain't nothing better than a  
Good old Cardinal game  
So here's to my St. Louis out there  
Keeping up the fight  
Let me get a big Go cards  
From ya' Redbird fans tonight Go Cards Go Cards  
I said Go Cards
