Well there's the fever
That you can't deny
Gotta' get together with my friends
To see my Redbirds fly
On the TV
Or at the ballpark
Or on the stereo in my truck

Me and Grandpa used to listen to
Mike Shannon and Jack Buck
Well I can feel it comin'
One thing I know for sure
Is I got Redbird fever
And the Cardinals are the cure

Yeah I got Redbird fever
And I know we're the best
It's a fact we're goin' all the way
'Cause we're better than the rest

And I'll wear my Redbird colors
To every inning that we play
There ain't nothin' better than a
Good ol' Cardinal game

So here's to my St. Louis
Out there keepin' up the fight
Let me get a big Go Cards
From ya Redbird fans tonight Go Cards

There's other teams out there
And yeah they can play
But a Cardinal fan is proud and loud
Until our dyin' day

We drink cold beer
And eat hot dogs
On the bleachers in the sun
No I don't need no other team
'Cause the Cards are number one

Some people think we're crazy

But Redbird fans are true
And in this Cardinal nation
We're all winners through and through

Yeah I got Redbird fever
And I know we're the best
It's a fact we're goin' all the way
'Cause we're better than the rest

And I'll wear my Redbird colors
To every inning that we play
There ain't nothin' better than a
Good ol Cardinal game

So here's to my St. Louis
Out there keepin' up the fight
Let me get a big Go Cards
From ya Redbird fans tonight Go Cards

Yeah I got Redbird fever
And I know we're the best
It's a fact we're goin' all the way
'Cause we're better than the rest

And I'll wear my Redbird colors
To every inning that we play
There ain't nothin' better than a
Good ol Cardinal game

So here's to my St. Louis
Out there keepin' up the fight
Let me get a big Go Cards
From ya Redbird fans tonight Go Cards

Go Cards
Go Cards
I said Go Cards
