The Earrings Song Lyrics

Well I finally found a sitter who'd stay late on Friday
night,
So I could do some dancin' underneath them neon
lights
Get out of the kitchen do a little catchin' up with my old
man
And I couldn't help but notice girl that you keep slinkin'
by
Stealin' his attention with the twinkle in your eye
You're causin' an involuntary clenchin of the fingers on
my hand
So honey move along and find a place to park yourself
while you still can

Dont make me take my earrings out
Cause I'll show you what a catfight's all about
I'll throw you down and mop the floor
A man like mine's worth fightin for
Dont make me take my earrings out

And I bet I spent an hour at the bathroom vanity
Tryin to turn a mom into a ballroom beauty queen
I dont wanna mess it up but trust me honey I aint
scared to break a nail
Yeah and I'd be glad to spend a night in jail
(Aw hell!)

So don't make me take my earrings out
Cause I'll show you what a catfight's all about
If you come waltzin' by once more
I'll drag your butt right out the door
So don't make me take my earrings out
(Ah-haw!)

So don't make me take my earrings out
Cause I'll show you what a catfight's all about
I'll throw you down and mop the floor
A man like mine's worth fightin for
Don't make me take my earrings out

If you come waltzin' by once more
I'll throw you down and mop the floor
And drag your butt right out the door
A man like mine's worth fightin for
So dont make me take my earrings out!
