I stopped by my parents house the other day,
Just to say hello.
There's nobody home but you know that's ok,
They're usually there you know.
I sat for a while but then I drove away
Maybe for good this time.

It's my cannonball,
I wish I could send it off to you.

To make it worse,
I work a job that I hate.
I really like to talk,
Should I pay by the day?

There must be something I can do
Somehow, someday.
I really wish that I could say,
What I want to say.
