

Grey Cell Green "Far From You"

Visit "[Far From You](#)" on [MotoLyrics.com](#)

I feel
Like I'm
Falling far from you

Each time
I try
You don't want me to

Get close to what is true
Let me know that you feel it too
Feel it too...

I can't take much more
Of this pain you give
I turn and walk away

Every time it's drawn
Pictures of your world
Colors slowly fade

It took all my time
To figure it out
I'll never forget
What you're all about

It seems
To find
It's way into my mind

Each time
I try
I get left behind

My mind has come to calm
Let me know that I was wrong
I was wrong...

All my time...
