black on pink  
pink on black  
she's got a new tattoo on her back  
it's alright, her mama doesn't know yet

say goodnight, gets into bed  
climbs out the window and over the fence  
it's alright, her mama doesn't know yet

oh mallory  
you move to fast for me  
fast for me (repeat)  
mallory

she gets in the car and lets down her hair  
and drives away in the cool night air  
off to where the ocean sings her song  
in the corner of her eye  
there's a number on a sign  
telling her she needs to slow down

(chorus)

i was once like you  
trying to get out of this place  
and since i made it through  
this is what i'll say:  
live life for today  
live life for today

(chorus)
