(Verse1)

Okay, what is it tonight?  
Please just tell me what the hell is wrong  
Do you wanna eat?  
Do you wanna sleep?  
Do you wanna shout?  
Just settle down  
Settle down  
Settle down

(Chorus)

Well, I'll give you candy  
Give you diamonds  
Give you pills  
I'll give you anything you want  
Hundred dollar bills  
And I'll even let you watch the shows you wanna see  
'Cause you married me  
Married me  
Married me

(Verse2)

I'm so sick of you tonight  
You never stay awake when I get home  
Something wrong with me?  
Something wrong with you?  
I really wish I knew  
Wish I knew  
Wish I knew

(Chorus)

Well, I'll give you candy  
Give you diamonds  
Give you pills  
I'll give you anything you want  
Hundred dollar bills  
And I'll even let you watch the shows you wanna see  
'Cause you married me  
Married me  
Married me

(Verse3)

When I was young I played the game  
That love and happiness were the same  
Now I'm older and I don't play  
And I found out the hardest way  
I got wasted  
She got mad  
She called me names  
Then she called her dad  
He got crazy and I did too  
Wondering what I did to you

(Chorus)

Well, I'll give you candy  
Give you diamonds  
Give you pills  
I'll give you anything you want  
Hundred dollar bills  
And I'll even let you watch the shows you wanna see  
I'll do anything  
Anything  
Anything  
Anything  
Anything  
Anything  
Anything  
Anything  
Anything
