I've lived with things I cannot say
Back then we dreamt of yesterday
It seemed as if the only way
And now we look for hope and pray

If I had a second chance
I'd make amends
Only to find myself
Losing in the end

It came up from the deepest sea
God gave it life and reason to be
His shadow rose above the highest tree
And still his face we could not see

If I had a second chance
I'd make amends
Only to find myself

Losing in the end

I've lived with things I cannot say
Back then we dreamt of yesterday
It seemed as if the only way
And now we look for hope and pray

If I had a second chance
I'd make amends
Only to find myself
Losing in the end
