When Everything's gone  
I fell that my life will be wrong  
Whitout you  
To be bymyside  
You will never fell be my life  
Wrong beside

Reef.  
Now just leave me  
Will you get what you want to be  
And what's wrong  
If you in my destiny  
Go over now  
Don't look back what you want to see  
We never be same  
If you never walk away

You'll never be allone  
Always my heart sign your way  
Just hurry  
Everything's was I say  
Wherever you go away  
Close your eyes

Reef.  
Now just leave me  
Will you get what you want to be  
And what's wrong  
If you in my destiny  
Go over now  
Don't look back what you want to see  
We never be same  
If you never walk away

Smile your face  
It's like rainbow in my sky  
Will be fine  
And your way will be my mine
