Dad please understand  
About my feeling's, about my dream's  
It was terrible when you not sincere me  
And you never, let me play my game'

Reef:  
I don't know what you want what can I do for you'  
Your angger make me fell confused'  
You want I stoped about my guitar abussed  
Then you'll never give me trust

You always rule over  
Everything's I've do, everything's I've need  
But I'm not little shit thing's which you've done me  
wrong  
Which seem's like trash than you can flung me

Reef:  
I don't know what you want what can I do for you'  
Your angger make me fell confused'  
You want I stoped about my guitar abussed  
Then you'll never give me trust
