Come walk with me thru the world we love so much

And we'll kill all the beautiful things we're not allowed
to touch

We could fall in love--then hate cuz love NEVER lasts

Then we'll dance on the graves of our enemies--won't
that be a blast?

But oh, I'm ending my life with you cuz you're sharp as
a knife

We're lost in the forest like Hansel and Gretel--TO
BURN

Come walk with me thru the world we love so much

And we'll kill all the beautiful things and people we're not
allowed to touch
we could fall in love and then HATE yes HATE

Cuz love--we know that love stuff ever lasts
and we'll dance on the graves of our enemies you
know it'll be a blast

Kaboom baby kaboom

But ohhhhh I'm ending my life with you

Cuz you're sharp as a knife--we're lost in the forest like
Hansel and Gretel

don't mind that wet stuff

I don't care if it's runnin' down your chest

So come walk with me thru the world we love so much

AND WE'LL LOVE ALL THE BEAUTIFUL THINGS WE'RE
NOW ALLOWED TO TOUCH
