[Verse One]

I started to cry as the doctor told me.
She was going to leave us tonight
So I stifled my tears now and went to her room
To my surprise she had a twinkle in her eyes
She said:
"You know that I am leaving you behind but don't worry
I'll be fine, I'll be behind the blue skies, among those
beautiful stars".

[Chorus]

Cause in the sky
You're so high
There are beautiful stars which shine the night
She'll be dancing in the clouds.
She'll be singing in the rain
Among those beautiful stars

[Verse Two]

She held her hand out as she went
She took her last breath
And the tears starting flowing out again
And I went to the window
And I opened it.
There she was she was shining the sky
Amongst the beautiful sky

[Chorus 2x]

[Verse Three]

Five years have past
The cancer was spreading
I wouldn't last.
So I took my last breath

[Chorus 2x]

We were dancing in the clouds
We were singing in the rain
Among those beautiful stars
