Verse 1:

It's taking us downtown  
You're watching me watching me watching me go  
But I never listen  
No I never let you know

Now we're heading uptown  
Is there something or nothing you wanted to say?  
'Cause I need to go now  
Do you want me to stay?  
I said stay

Chorus:

What you need to know  
Is to try and let it go let it go  
What you need to find  
Is someone who never will let you go

And oh oh  
Sunshine and city lights will guide you home  
And oh oh  
Yeah you gotta know that I'll never you go (I'll never let  
you go)

Verse 2:

Now we're stuck in midtown  
Surrounded by people and nothing but sound  
And we're going nowhere  
And we are the lost and found

We're all over this town  
Is there something or nothing you wanted to say?  
Do you want me to go now?  
'Cause baby I want to stay  
I said stay

Chorus:

What you need to know  
Is to try and let it go let it go  
What you need to find  
Is someone who never will let you go

And oh oh  
And sunshine and city lights will guide you home  
And oh oh  
Yeah you gotta know that I'll never let you go

Bridge:  
Sunshine and city lights (oooh ooh)  
Sunshine and city lights

What you need to know  
Is to try and let it go let it go  
What you need to find  
Is someone who never will let you go (2x)

And oh oh  
Sunshine and city lights will guide you home  
And oh oh  
Yeah you gotta know that I'll never let you go
