I remember the first time saw you
With your pretty brown eyes that sparkled
In the light
And your long brown hair
And the way you could dance so well

And you took the air I'm breathing
And stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Oh, oh, oh, oh, Broken Heart

Broken hearts they never fade away
and Broken hearts are here to stay

I know what we've been waiting for
But that doesn't give you the excuse tooo
Then all the reason you can
Especially, my best friend

Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Oh, oh, oh, oh, Broken Heart

Broken hearts they never fade away
and Broken hearts are here to stay

Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Oh, oh, oh, Broken Heart

You took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart

You left me with the Broken Heart
Oh, oh, oh, Broken Heart

Broken hearts they never fade away

Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Oh, oh, oh, oh, Broken Heart
