[Verse 1]

At first I was speechless  
At first I crumbled every time you smile  
You're right here beside me  
You're right here saying you like to stay a while

All the people say we'll never be the type to stay  
together  
Let you know I promise you, we're gonna prove them  
wrong  
Maybe this is wrong  
Or maybe..

[Chorus]

You're the one for me  
You're the one for me  
This feels a lot like love  
Leila, Leila, Leila,  
You're the one for me

[Verse 2]

December, snow fallin'  
But every word you whisper keeps me warm

All the odds are stacked against us  
People say it's just a crush but  
If I could, you know that I'd stay here my whole life long  
Maybe this is wrong  
Or maybe..

[Chorus]

You're the one for me  
You're the one for me  
This feels a lot like love  
Leila, Leila, Leila,  
You're the one for me

[Bridge]

Maybe I'll get hurt, and I shall keep my distance  
Be careful with my heart, but I don't want to listen  
Here with you tonight, something in me knows this  
can't be wrong

Maybe..

[Chorus]

You're the one for me  
You're the one for me  
This feels a lot like love  
Leila, Leila, Leila,  
You're the one for me  
Oh, the one for me
