Byways  
Highways  
Freeways  
I'm always yours

Smoke billowing  
From your blue eyes  
That got me  
From the start

Flames growing bright  
In the distance  
Were rising  
High

I am lovesick  
And I just can't be healed  
Happened so quick  
Now I'm head over heels

For you  
Cuz you're  
The love  
Of my heart

You're the match  
And were the spark  
Of fire  
We light up the dark

Sun shining  
Rain falling  
Love starting  
With us

Free flowing  
Melodies  
Playing on and on  
And on

Flames growing bright

In the distance  
Were rising  
High  
(Chorus)  
I am lovesick  
And I just can't be healed  
Happened so quick  
Now I'm head over heels

For you  
Cuz you're  
The love  
Of my heart

You're the match  
And were the spark of fire  
We light up the dark

I am a different person  
Waiting for you  
You will  
Change me, rearrange me to

Something new

Chorus
