It's taking us downtown
You're watching me, watching me, watching me go
But I never listen
No, I never let you know

Now we're heading uptown
Is there something or nothing you wanted to say?
'Cause I need to go now
Do you want me to stay?
Stay...

What you need, to know, is to try
And let it go, let it go
What you need, to find, is someone
Who never will let you go

And oh, and sunshine and city lights
Will guide you home
And oh, yeah you gotta know
That I'll never let you go

Now we're stuck in midtown
Surrounded by people and nothing but sound
And we're going nowhere
And we are the lost and found

We're all over this town
Is there something or nothing you wanted to say?
Do you want me to go now?
'Cause baby i wanna stay.
Stay...

What you need, to know, is to try
And let it go, let it go
What you need, to find, is someone
That never will let you go

And oh, and sunshine and city lights
Will guide you home
And oh, yeah you gotta know
That I'll never let you go

And sunshine and city lights, ooh ooh ooh...
And sunshine and city lights, hmm...

What you need, to know, is to try
And let it go, let it go
What you need, to find, is someone
Who never let you go

What you need, to know, is to try
And let it go, let it go
What you need, to find, is someone
That never will let you go

And oh, and sunshine and city lights
Will guide you home
And oh, yeah you gotta know
That I'm never let you go
