It's like the laughter of a child in the mind of those who
want it back.

Like when I watched her defy the world in just one
night.

Put yourself on the line, it's safer than you've ever felt
before,

Cause you're in love tonight.

And you tried so hard not to lose yourself again,

But you're alone tonight.

You're alone tonight.

Hello with a blank stare.

I know that you don't care.

Goodbye, no you wouldn't dare but I still do.

It's like the laughter of a child in the mind of those who
want it back.

Like when I watched her defy the world in just one
night.

You're so conscious of yourself, but are you even
conscious at all.

How does it feel right?

And you tried so hard not to lose it all over again,

But you're alone tonight.

Hello with a blank stare.

I know that you don't care.

Goodbye is too much to bear.

Sometimes I feel so obscure.

Am I just a beggar here?

I know that you never cared, but I still do.

You lied to me so it's time for me to say goodbye.
