Awake. Starring blankly at the page. 5am.
Chapter 12. Ink without a plot yet.
Just ten miles. You're sleeping soundly with the dreams
all around.
Latently you stuck up fast- filled it up- the vacancy in
my head.

And I've been denying everything that I've been thinkin'
of.
'Cause I'm in love. I'm in love.
Been lying to myself.Â
Oh the coward I once was.

Sunrise. Parallel to the feelin'.
Burnin' holes up in my chest- holdin' all my fears in.

And I've been denying everything that I've been thinkin'
of.
'Cause I'm in love. I'm in love.
Been lying to myself.Â
Oh the coward I once was.

Well I'm in love.Â I'm in love.
My legs are way too tiredÂ from all the running that I
done.

'Cause I believe in love again.
'Cause I believe in love again.
'Cause I believe in life again.
I believe in you.
'Cause I believe in love again.
I believe in you.
