Verse 1-

And Iâ'm sitting on the thought of a future- I lift the
spoon towards you.
Lucky charms feel no harm little baby- Iâ've got this
rainbow for you.
Pools for eyes- your talking smile- that little thing you
do.
Your clever wit has got me going because Iâ'm still
learning you.

Verse 2-

A little smirk- a breath of air- how about a game of truth
or Dare?
You think youâ're rough and you think youâ're tough
but baby youâ're just
my little powder-puff.
I pamper you on this Sunday afternoon. Iâ'll loose
myself until the next
full moon.
And even if the sun shines through next Sunday Iâ'll be
here with you.

Chorus-

And itâ's a sleepy Sunday afternoon. (Crawl my way
back to bed with
you)
A sleepy Sunday afternoon- (I know you know I know
what to do)
Sleepy Sunday afternoon- (crawl my way back to bed) I
got no Monday
morning attitude for you

Verse 3-

Peek-a-boo I see you hiding underneath the covers,
but Iâ'm still tired from our pillow fight last night
(bruised and broken -
jawâ's still swollen)
You pack a punch but I love you so much- your number
one my tackle
football queen. So take, take, take aâ... Take a walk up
stairsâ...

Chorus-

Bridge-
