"Dance With Me"

Oh, it is alright with me if you throw in the towel and let
me sleep
If you throw in heart, if you throw in your peace
You're turning me on earning my keep
Dance with me
Make it hard to lead
Dance with me and I'll believe
Don't say goodnight, just say you know I'm coming
back
Don't say goodnight, I'll be alright
Dance with me, make it hard to leave
Oh dance with me and I'll believe
Come knock me out when you move
In the ways I once knew you
Don't leave me always the heart on my sleeve
Dance with me
Make it hard to lead
Oh dance with me and I'll believe
Dance with me make it hard to leave
Dance with me and I'll believe
