Looking for a way to make you hold off  
To find the words to settle you down  
You keep saying I got it all but I'd give it all back  
If I could take your mind and turn it around  
I don't want anyone to go on living never off the ground  
So I go out on my own... I go out on my own  
I am wild and free, if you don't believe in me then I'm  
alone  
Well hit me in the heart if you still know how  
You lost your touch while I was gone  
I still feel something now's your chance  
To prove me wrong  
And I'll go out on my own... I go out on my own  
I still feel something, now's your chance, send me  
home  
I am wild and free if you don't believe in me  
Then that's just you  
I go out on my own... I go out on my own  
I am wild and free
