I don't really feel like talkin' right now,  
There's gotta be another way around some how.  
And I don't really feel like saying nothing,  
It's hard to see you in the shape I'm in.

My love is weak and I've lost my will,  
My thoughts are racing and I'm standing still.

Our hearts are one,  
And I know it's true.  
You can never get around,  
What you gotta go through.

And I don't really feel like singin' right now,  
Cause I don't really feel like bringing you down.  
All my life all I did was run,  
God forgive me for the things I've done.

Our hearts are one,  
And I know it's true.  
You can never get around,  
What you gotta go through.

Our hearts are one,  
And I know it's true.  
You can never get around,  
What you gotta go through.

And I don't know where to go from here,  
It's gonna take a little time for my mind to clear,  
And I don't know where we went wrong,  
But I know I been hiding from you way too long.

Our hearts are one,  
And I know it's true.  
You can never get around,  
What you gotta go through.

Our hearts are one,  
And I know it's true.  
You can never get around,

What you gotta go through.
