I'm just a sinner  
On an ever changin' road  
I know my self awhile  
But the feelings come and go

I love my life too much  
And I can't see the next  
But I'm trying to believe in war  
So when I have nothing left

I can shoot on up to heaven  
And never hurt no more  
I'll never change a chapter  
I can finally finally finally close the door

Mmmmm Mmmmm  
I feel my light is burnin down  
Mmmmm Mmmmm  
I feel my time is runnin out

Now  
Mmm Hmmm

We build a life of dreams  
We build our familys homes  
Together we build a love  
'Cuz we hate hate hate to be alone

I miss you when your far away  
And I'll remember when you were near  
Most of all I miss you  
As you lie beside me

Mmmmm Mmmmm  
I feel my light is burnin down  
Mmmmmmm Mmmmm Mmmmm

Hey!

Oooh Ohhhh  
Oooh Ohhhh  
I'm just a sinner.
