Baby, stay with me  
You know I will never give up  
Sometimes when the rains fall down  
I wait there until it is done  
Patiently I wait for thee  
Prayers for me ain't enough  
So many waterways leading out  
Why'd we give it up?  
And your boat goes by, down to the waterfall.  
And the time goes by, like trees on the riverbanks.  
And your time rushing by, down to the waterfall,  
I hear your call, I know you'd sound amazed if you'd  
Hold on to your love.  
It might not be coming back.  
Hold on to your love.  
It might not be coming back.

Baby, I didn't mean to come  
Have I interrupted your fun?  
Maybe, if I could have known  
I would have waited until it was done  
Impatiently, I wait for thee  
"Pray for me" ain't enough  
So many waterways leading out  
Why'd we give it up?  
And your boat goes by, down to the waterfall.  
And the time goes by, like trees on the riverbanks.  
And your time rushing by, down to the waterfall,  
I hear you call, I know you'd sound amazed if you'd  
Hold on to your love,  
It might not be coming back  
Hold on to your love,  
It might not be coming back.

Wipe off your tears.  
Pick up your feet.  
Cause you got miles and miles and miles and miles to  
go yet.  
If anyone makes you feel, you've been waiting too long.  
Oh, I've been waiting for you, I been waiting for you.  
If you hold on to your love, it might not be coming back.  
Hold on to your love, it might not be coming back
