I stepped in the room more than consumed, nearly  
tripping over you.  
I can't explain I don't even know your name, but my  
hearts beating fast.  
There isn't a time there isn't a place that you would  
plan on this to play.  
If I had a chance to do it again, here are the things that  
I would say...

I really don't want you to get freaked out  
I had a little dream about you and I  
And somehow...  
I've seen it in your eyes, up on the skyline  
I'm so Tangled up in you.  
Tangled up in you.

I've gotta confess it wasn't the best time to get you all  
alone  
It's hard to express the way that I feel when I'm so  
Tangled up in you.  
But now you're in town and here is the chance that I've  
been waiting for...

I really don't want you to get freaked out  
I had a little dream about you and I  
And some how  
I came into the room looked up at you  
And you're gonna think this is crazy...  
I really want you to know, you're so beautiful  
And I can't stop thinking about this  
I've seen it in your eyes, up on the skyline  
I'm so Tangled up in you!

There isn't a time, there isn't a place  
That I let a word from you slip away  
And now that you're here I can replace  
The very first time that I saw your face.  
I'm Tangled up in you, Tangled up in you  
I'm so Tangled up in you!

I really don't want you to get freaked out I had a little  
dream about you and I

And somehow I came into the room looked up at you  
And you're gonna think  
This is crazy I've seen it in your eyes up on the skyline  
I'm so Tangled up in you.  
Isn't it crazy, you drive me crazy You're so beautiful  
and I can't stop thinking  
About this...
