Clark

She was standin' on the gone side of leavin'
She found her thumb and stuck it in the breeze
She'll take anything that's goin' close to somewhere
She can lay it down and live it as she please
She ain't goin' nowhere
She's just leaving
She ain't goin' nowhere
She can't breathe in
She ain't goin' home and that's for sure
She's not settin' down crying on her suitcase
She has no second thoughts by the road
She's got feelings that need some repairin'
And she did not give a damn that it showed
She ain't goin' nowhere
She's just leaving
She ain't goin' nowhere

She can't breathe in
She ain't goin' home and that's for sure
... Instrumental ...
The wind had a way with her hair
And the blues had a way with her smile
And she had a way of her own
Like prisoners have a way with a file
She ain't goin' knowhere
She's just leaving
She ain't goin' nowhere
She can't breathe in
She ain't goin' home and that's for sure
She ain't goin' home ... that's for sure
